Profile

Computer Science student with hands-on experience in building real-time systems, REST APIs, and full-stack applications. Developed projects like a computer vision-based gesture recognition system and scalable form validation backend. Strong in DSA, OOP, and backend development with Spring Boot.

Technical Skills

Languages: C, C++, Python, JavaScript, Java

Web Technologies: HTML, CSS, TailwindCSS, React.js, Springboot, Rest API

Databases: MySQL, PostgreSQL

Libraries / Tools: Git, GitHub, VS Code, IntelliJ Idea, OpenCV, MediaPipe, Flask, PowerBI, Postman, Netlify, Vercel, Render, AWS, Linux, Docker and Kubernetes

Core Subjects: Data Structures & Algorithms, OOPs, Operating Systems, System Design, DBMS, Machine Learning.

Projects

VisioSense

Python, Flask

- Built a real-time gesture and facial recognition system using OpenCV and MediaPipe for live video.
- Optimized frame processing and landmark detection to improve accuracy and maintain real-time performance.

PulseChat

React, Node.js, Express, MongoDB

- Developed an AI-powered multilingual chat application enabling real-time communication across languages.
- Built with React, Node.js, Express, and MongoDB, integrating MyMemory and Gemini APIs with WebSocket for real-time messaging.

Explorily

React, JavaScript

- Built a travel exploration platform with dynamic UI and responsive design using React.
- Integrated REST APIs to enable real-time search of tourist destinations by state and city.

PulseForm

Python, Flask

- Developed a Google Form-like web application with backend validation using Flask and database integration.
- Implemented duplicate submission prevention by checking existing user records before storing data.

Education

Chandigarh University, Punjab

Bachelor of Engineering (Computer Science & Engineering)

2024 – 2028

CGPA: 8.39 / 10

Inter Science College, Hazaribagh

Intermediate (Science)

2022 – 2024

Percentage: 91.4%

Modern Public School, Dadpur

Matriculation (10th)

2021 – 2022

Percentage: 91.4%

Achievements

- Solved problems on LeetCode, HackerRank, and Codeforces.
- Participated in Coding Ninja Hackathon and weekly coding contests.

Certifications

- NPTEL Certified – Introduction to Machine Learning(IIT Madras)
- Oracle Cloud Infrastructure 2025 Certified Data Science
- Deloitte Data Analytics Certificate
